

CITIZENSHIP 4th ESO
Philosophy Department

assignment for september 2010

In order to pass *Citizenship* in september:

1. For each of the issues that we have studied through the year you have to collect a set of five news that you have read in the newspapers, on the internet, or that you may have watched in TV, related with the topic that we have studied:
 - a. Young people and sex / personal relationships (in relationship with the movie *Fucking Åmål*).
 - b. consumerism (in relationship with the documentary *The story of stuff*).
 - c. politics (in relationship with the movie *The Wind That Shakes The Barley*).
 - d. global citizenship: immigration and globalization (in relationship with the movie *This Is England*).

For every one of the news, sum it up and write a commentary.

2. Read again chapters 6, 8 & 9 of Kenneth Minogue's *Politics. A Very Short Introduction*. You will have to sit an exam in September.
Remember that you can use your own notes during the exam.
